## **Notice of Default and of Estoppel by Acquiescence**

**NOTICE TO AGENT IS NOTICE TO PRINCIPAL**

**NOTICE TO PRINCIPAL IS NOTICE TO AGENT**

Dear Mr Bureaucratic Criminal,

On 1st January, 2018 I served to your office a **Notice of Conditional Acceptance** Royal Mail Tracking number AG460451025GB. Said notice gave you reasonable notice and grace to locate and produce the requested information. You were granted 7 (seven) days to respond.

The deadline for production of said evidence was 08/01/2018.

By the 9th January, 20108 nothing had been received from yourselves.

In a lawful attempt to solve this matter I served upon you a **Notice of Default and Opportunity to Cure** Royal Mail Tracking number AH202603579GB delivered 10/01/2018. This notice offered you an opportunity to cure this default by responding in substance, actually addressing the points raised in the original notice, within SEVEN (7) days from Tuesday 9th, January, 2018.

I received your letter dated 11th January, 2018 however; it was merely an acknowledgement of my notices.

This deadline has now elapsed and to date you have served nothing upon me which could be considered as a good faith and diligent attempt by you to respond to my lawful and reasonable notice within the stated deadline.

You are in dishonour of said notice and I must advise that a default judgment is now in place, establishing permanent and irrevocable estoppel by acquiescence, forevermore barring all parties to mean you and your principal or other parties making further demands upon me.

You had a legal and moral duty to answer in full all the questions or points raised, and your silence can now be construed as a fraud "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading."

I now consider this matter to be closed and all demands placed upon me by parties to mean you and your principal withdrawn. I do not consent to any further communication regarding Ref: XXXXXXXXX

Any further contact attempts by parties to mean you and your principal will be classed as harassment and charged at £100 per letter / phone call / contact received and £100 per letter / contact sent in reply.

This fee schedule is effective immediately.

Sincerely without malice, ill will, vexation or frivolity
